Instructions for the guidance of Allowance Postmasters at non-money order offices

Physical description

Book titled "Instructions for the guidance of Allowance Postmasters at non-money order offices". The cover is off-white fabric with black text.

Statement of significance

This collection consists of 87 items from the New South Wales historical section of Australia Post. The items range from furnishings that were used for the opening of the Sydney GPO in 1874 to telephones, signs, posters, and postal boxes. The material covers a period of over one hundred years of postal service in Australia.
