Round clear glass inkwell with a recessed sunburst pattern on the underside

1999.0013.0034

Round clear glass inkwell with a recessed sunburst pattern on the underside

Physical description

Round clear glass inkwell with a recessed sunburst pattern on the underside.

Statement of significance

This collection consists of 87 items from the New South Wales historical section of Australia Post. The items range from furnishings that were used for the opening of the Sydney GPO in 1874 to telephones, signs, posters, and postal boxes. The material covers a period of over one hundred years of postal service in Australia.
